|------------------------|------------|
| COMUNICACIÓN "C" 77432 | 19/12/2017 |
|------------------------|------------|

A LAS ENTIDADES FINANCIERAS:

Ref.: ***Principales pasivos de las entidades financieras.***

El Banco Central de la República Argentina da a conocer los resultados del relevamiento diario de los principales pasivos de la totalidad de las entidades financieras.

Los datos presentados corresponden a la agregación de los suministrados por la totalidad de las entidades financieras locales de acuerdo con lo establecido en el Sistema CENTralizado de requerimientos informativos (SISCEN-0006 "Principales pasivos").

Para aquellas entidades que no hubieran podido cumplir con el plazo de presentación (hasta las 17 hs. del día hábil siguiente) se repite el último dato conocido.

En función de este último aspecto, se incorpora un cuadro con la representatividad del total de depósitos (para cada sector y moneda) del conjunto de las entidades que no hayan presentado información contemporánea para las fechas incluidas.

Dado el exiguo plazo que tienen las entidades para cumplir con la transmisión electrónica de los datos y la obligatoriedad de concretar transmisiones rectificativas toda vez que tomen conocimiento de su importancia, las actualizaciones informativas de datos previos son frecuentes y pueden llegar a ser significativas por razones de estacionalidad en la concentración de los flujos financieros.
