| (1)                   | Los importes corresponden a la distribución del total de cada concepto, según lo consignado en el balance mensual, de acuerdo con la participación relativa determinada para cada distrito geográfico según la información "Total de disponibilidades, préstamos y depósitos de efectivo de cada casa o filial financiera" (tarea SISCEN-0015) suministrada por la totalidad de las entidades financieras de acuerdo con las especificaciones metodológicas establecidas.<br>Tales especificaciones pueden ser consultadas en el texto ordenado del SIStema CENtralizado de requerimientos informativos de la Gerencia de Estadísticas Monetarias (Com. "A" 2803 y complementarias) que puede ser accedido en la página de Internet del Banco Central de la República Argentina especificando la dirección <a href="http://www.bcra.gov.ar/pdfs/estadistica/siscen1.pdf">http://www.bcra.gov.ar/pdfs/estadistica/siscen1.pdf</a> (Tarea SISCEN - 0015) o seleccionando las siguientes opciones en la navegación manual a través de la página <a href="http://www.bcra.gov.ar">www.bcra.gov.ar</a> : estadísticas e indicadores   monetarias y financieras   metodologías del pedido de información. |
| (2)                   | Saldo al cierre de las operaciones del día indicado.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| (3)                   | Los saldos de los préstamos en moneda extranjera informados por cada entidad financiera, expresados en dólares estadounidenses, se convierten a pesos utilizando el tipo de cambio vendedor del Banco de la Nación Argentina (hasta diciembre de 2001) o, a partir de esa fecha, el "Tipo de cambio de referencia".<br>El valor del tipo de cambio de referencia (obtenido por el BCRA a partir de las cotizaciones solicitadas a un conjunto de entidades, que refleja las condiciones predominantes en el mercado de cambios mayorista, referencia: Com. "A" 3500) fue de:<br><div>201109304.2045 pesos por dólar estadounidense.</div>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| (4)                   | Disponibilidades de billetes, monedas y oro ya sea en caja, en custodia (en otras entidades financieras y empresas transportadoras de caudales) o en tránsito.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| (5)                   | No incluye los préstamos de títulos valores o de otros activos financieros ni préstamos con garantía de esos valores. Comprende los derivados de adelantos en cuenta (corriente u otras a la vista) o de la compra de documentos, los instrumentados bajo la modalidad de documentos a sola firma, documentos descontados, los préstamos hipotecarios, prendarios, personales y a titulares del sistema de tarjetas de crédito y cualquier otro préstamo de efectivo no comprendido en los anteriores. No incluye intereses y/o ajustes devengados.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| (6)                   | No incluye los depósitos de títulos valores o de otros activos financieros. Comprende los depósitos bajo la forma de cuenta corriente bancaria o cuentas a la vista, del sistema de caja de ahorros (inclusive los vinculados a préstamos y los de cuentas especiales para círculos cerrados, Fondo de desempleo, usuras pupilares y para la acreditación de remuneraciones), los efectuados a plazo fijo, las inversiones a plazo con retribución variable, a plazo constante, con opción de cancelación anticipada y de renovación por plazo determinado, los saldos inmovilizados, las órdenes de pago, los depósitos en garantía, los vinculados con operaciones cambiarias y cualquier otro depósito de efectivo no comprendido en los anteriores. No incluye intereses y/o ajustes devengados.                                                                                                                                                                                                                                                                                                                                                                                                |
